

**PRODUCT SPECIFICATION SHEET**  
**n, n-DIMETHYLFORMAMIDE**  
**MEETS REAGENT GRADE ACS MONOGRAPHS**

Catalog No: 324000ACS-Size Code\*

Available in the following sizes:

|                                                                               |
|-------------------------------------------------------------------------------|
| *Refer to Master Price List – Individual package sizes have unique size codes |
|-------------------------------------------------------------------------------|

| <b>TEST</b>                        | <b>SPECIFICATION</b> | <b>TYPICAL RESULTS</b> |
|------------------------------------|----------------------|------------------------|
| Assay (by GC, corrected for water) | 99.8% min.           | 99.96%                 |
| Color (APHA)                       | 15 max.              | 3                      |
| Residue After Evaporation          | 0.005% max.          | < 0.001%               |
| Titration Base                     | 0.003 meq/g max.     | 0.002 meq/g            |
| Titration Acid                     | 0.0005 meq/g max.    | 0.0001 meq/g           |
| Water                              | 0.15% max.           | 0.03%                  |

Form: n-Dimethylformamide-ACS, Rev.2.7, 04/18, EF

This product is for further commercial manufacturing, laboratory or research use, and may be used as an excipient or a process solvent for pharmaceutical purposes. It is not intended for use as an active ingredient in drug manufacturing nor as a medical device or disinfectant. Appropriate/legal use of this product is the responsibility of the user.
